   vii) Details of similar nature of work already executed/under execution with Name and address of the Agency not less than the rank of Executive Engineer with his contact no.

   viii) An affidavit that the information provided in the submitted bid is correct.

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

i) Made misleading or false representations in the forms, statements, affidavits duly attested by magistrate and attachments submitted in proof of the qualification requirements: and/or

ii) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc
3. **One Bid per Bidder**

Each Bidder shall submit only one Bid for one work. A Bidder who submits more than one Bid shall be declared non-responsive.

4. **Cost of Bidding**

The Bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will, in no case be responsible or liable for those costs.

5. **Site Visit**

The Bidder, at his own cost, responsibility and risk is encouraged to visit, examine and familiarise himself with the site of works and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the works. The costs of visiting the site shall be at the Bidder’s own expense. He may contact the Executive Engineer incharge of work for any guidance relating to site visit.

B. **BIDDING DOCUMENTS**

6. **Content of Bidding Documents**

The set of bidding documents comprises the documents listed below:-

1. Notice Inviting Tender.
2. Instruction to Bidders.
3. Bid Date Sheet.
4. General conditions of Contract.
5. Particular condition of Contract.

7. Bidding documents can be downloaded from SMVDSB website www.maavaishnodevi.org.

8. The bidder is expected to examine carefully all instructions, conditions of contract, terms and specifications, bill of quantities, etc in the Bid Document. Failure to comply with the requirements of Bidding Documents shall be at the bidder’s own risk. Bids which are not substantially responsive to the requirements of the Bidding Documents, shall be rejected.

9. **Clarification of Bidding Documents**

A prospective bidder requiring any clarification of the bidding documents may notify the Employer in writing or by Facsimile (Fax) at the Employer’s address indicated in the Notice Inviting Tenders. The Employer will respond to any request for clarification received earlier than 10 days prior to the deadline for submission of bids. Copies of the employer’s response will be forwarded to all purchasers of the bidding documents, including a description of the inquiry, but without identifying its source.
10. **Amendment of Bidding Documents**

Before the deadline for submission of bids the Employer may modify the bidding documents by issuing addenda.

To give prospective bidders reasonable time to take an addendum into account, in preparing their bids the Employer shall extend, as necessary, the deadline for submission of bids.

11. **Preparation of Bids**

Language of Bid is English

12. **Documents Comprising the Bid**

a) The bid shall be submitted by the Bidder in Hard copy duly signed and stamped in a single envelope superscripted with the Name of work, NIT no:, Last Date of submission of bid, Name of the bidder, Contact No. of the bidder and email id of the bidder.

13. **Bid Prices**

13.1 The Contract shall be for the whole works based on the priced Bill of Quantities submitted by the Bidder.

13.2 The Bidder shall adopt item rate only.

13.3 All duties taxes excluding GST, royalties and other levies payable by the contractor under the contract, or for any other cause, shall be included in the rates, prices and total Bid price submitted by the Bidder. The GST component shall be added at the end of price bid as mentioned in the Price bid format.

13.4 The rates and prices quoted by the Bidder shall be fixed for the duration of the contract and shall not be subject to adjustment on any account.

14. **Currencies of Bid and payment.**

14.1 The unit rates and the prices shall be quoted by the bidder entirely in Indian Rupees. All payments shall be made in India Rupees.

15. **Bid Validity**

15.1 Bids shall remain valid for a period of thirty (30) days after the deadline date for bid submission.
15.2 In exceptional circumstances, prior to expiry of the original time limit, the employer may request the bidder to extend the period of validity for a specified additional period. The request and the bidder’s responses shall be made in writing. A bidder may refuse the request without forfeiting his earnest money. A bidder agreeing to the request will not be required or permitted to modify his bid, but will be required to extend the validity of his earnest money for a period of the extension, and in compliance with clause 16 of ITB in all respects.

16. **Earnest Money**

16.1 The bidder shall furnish, as part of the Bid, earnest Money as mentioned in above NIT.

16.2 The earnest money shall, at the Bidder’s option, be in the form of CDR/FDR of a scheduled commercial bank.

16.3 Any bid not accompanied by Earnest Money shall be rejected by the Employer as non-responsive.

16.4 The earnest money of unsuccessful bidders will be returned within 30 days of the end of the Bid validity period.

16.5 The earnest Money of the successful Bidder will be released after successful completion of the defect liability period subject to removal of all defects if any and the work certified by the Engineer-in-charge as completed in all respects.

C. **SUBMISSION OF BIDS**

17. The Bidder shall submit his bid in a single envelope containing EMD and Tender document envelope and Price bid envelope. The price bids of only those bidders shall be opened who have submitted the documents complete in all respects as defined in clause 2.

18. **Deadline for Submission of Bids**

The Bid must be submitted by Speed Post/Registered Post/Courier only at the venue, time and date mentioned in Bid data Sheet provided in the bid document.

The employer may extend the deadline for submission of bids by issuing an amendment, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

D. **BID OPENING AND EVALUATION**

19. **Bid Opening**

The Employer will open the bids received in the presence of the bidders/bidder’s representative who choose to attend at the time, date and place. In the event of the
specified date for the submission of bid being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.

In all cases, the amount of Earnest Money, forms and validity shall be announced. Thereafter, the bidders’ names and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening.

At the time of the opening of the “Financial Bid”, the names of the bidders whose bids were found responsive will be announced & the financial bids of only these bidders will be opened. The responsive bidders’ names, the Bid prices, the total amount of each bid, and such other details as the Employer may consider appropriate will be announced by the Employer at the time of bid opening.

20 Process to be Confidential

Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any attempt by a Bidder to influence the Employer’s processing of bids or award decisions may result in the rejection of his Bid.

21. Clarification of Bids and Contacting the Employer

No Bidder shall contact the Employer on any matter relating to its bid from the time of the bid opening to the time the contract is awarded.

Any attempt by the bidder to influence the Employer’s bid evaluation, bid comparison or contract award decision may result in the rejection of his bid.

22 Examination of Bids and Determination of Responsiveness

During the detailed evaluation of “Technical Bids”, the Employer will determine whether each Bid(a) meets the eligibility criteria defined in clause 2 and 4;(b) has been properly signed;(c) is accompanied by the EMD and cost of Tender Document and (d) is substantially responsive to the requirements of the bidding documents.

A subsequently responsive “Financial Bid” is one which conforms to all the terms, conditions, and specifications of the bidding documents, without material deviation or reservation. A material deviation or reservation is one(a) which affects in any substantial way, inconsistent with the bidding documents, the employer’s rights or the Bidder’s obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other bidders presenting substantially responsive bids.

If a “Financial Bid” is not substantially responsive, it will be rejected by the employer, and may not subsequently be made responsive by corrections or withdrawal of the nonconforming deviation or reservation.

Signature of the Bidder
**Broad Specifications**

The sub-base material of the specified grading shall be supplied by SMVDSB. The contractor is required to test the moisture content of supplied material and if required, add water to achieve OMC, mix mechanically with Tractor-Rotovator before spreading in layers. The prepared GSB material shall be spread on prepared sub-grade with the help of tractor-grader of adequate capacity. The tractor grader shall be capable of maintaining the required shape and grade during operation. Moisture content of mix shall be checked in accordance with IS:2720 (Part 2) and suitably adjusted so that at the time of compaction it is 1-2% below the optimum moisture context.

Immediately after spreading the mix, rolling shall be done by power vibratory roller of minimum 80-100 static weight capable of achieving required compaction. For achieving the required cross fall, rolling shall commence from lower edge and proceed to the upper edge longitudinally.

Each layer of GSB Grade-I & Grade-II shall be 150 mm thick.

The Contractor shall arrange MDD/OMC test in the Laboratory of the samples taken from the GSB material supplied by SMVDSB at his expense and shall submit the report to Executive Engineer SMV DIME. The field density to be achieved shall be 98% of the laboratory density. The contractor shall conduct the field test of Compacted GSB layers with sand replacement method as per requirement. In case the achieved dry density is less than the specified density than the contractor shall have to further compact the material till the required density is achieved. The work shall not be accepted with lower density than that specified.
