Notice Inviting e-Tender

e-NIT No.: CO/Pur/NE/661/3739

Dated:05.02.2026

For and on behalf of Chairman, Shri Mata Vaishno Devi Shrine Board (SMVDSB), e-tenders under two-bid system are invited through the Chief Executive Officer, SMVDSB from reputed professional Companies / Firms dealing in the bulk packing / supply of pasteurized dry fruits for supply of specified “**Pouch Prasad**” to SMVDSB initially for a period of three (03) years with no provision for extension or price escalation Other necessary details in regard to the e-NIT are as under:

1. **SCOPE OF THE APPROVED VENDOR:**

- (i) The selected bidder shall be required to arrange all the required ingredients of the ‘Pouch Prasad’ in bulk. **Besides, setting up and operationalization of complete Plant & Machinery at the built-up space provided by the Board and as per the best industry practices “at no cost to Board” shall lie in the scope of the approved vendor.** The set-up must be adequate to produce the required quantity of ‘Pouch Prasad’ ordered from time to time during the rate validity period.
- (ii) The Shrine Board deserves the right to engage any professional to adjudge the adequacy of the plant and machinery for the intended purpose and upon communication of any deficiency in this regard, the selected vendor shall be bound to install the deficient equipment / bridge any other deficiency in a time bound manner. Failing to do so may result in termination of the contract at entire risk and cost of the firm.
- (iii) For setting up of an exclusive packing unit at Katra, the SMVDSB shall allot suitable land parcel / built-up space as per availability and at mutually agreed terms and conditions of such allotment.
- (iv) The Pouch Prasad shall comprise of dry fruits and other items and their quantities as specified in **Annexure- “A”**. All ingredients shall have to essentially adhere to the minimum quality parameters defined under **Annexure - “C”**. Further, the packing material (outer pack and the sub-pack for coin and mouli) shall have to comply with minimum specification specified in **Annexure - “C”**.
- (v) All the ingredients must be pasteurized and processed with 'FIVE LOGS Pathogen Reduction' working on 'IR Heating' & 'UV Cooling' in controlled atmosphere to ensure that the dry fruits are crispier, healthier and without any loss of aroma, taste or nutritional value. The above stated essential process is further expounded as under:

- The dry fruits should be passed through Closed Zones in IR Unit in a continuous Process to ensure 'Instant Core Heating of the Product and killing the bacteria by 'denaturing their DNA' that cannot withstand such instant heating.
 - In order to keep the 'Aroma and Taste' of ingredients unchanged for ensuring that the end-product is crispier, the Process of Instant Heating (IR) should be used to the core of the dry fruits and not merely 'Heating by Conduction'.
 - The dry fruits should be then passed through UV Unit which cools the products and exposes bacterial to Shock (from heating to cooling) and UV rays making the process of microbe annihilation more effective.
 - The dry fruits should be then 'Packed and sealed in specified packing in a sealed environment in Modified Atmosphere Bulk Packs to avoid any 'Post Contamination'.
- (vi) The dry fruits to be supplied should comply and confirm to FSSAI Standards. The selected bidder must have the technical expertise to ensure best hygiene standards and ensure pasteurized process and five log pathogen reduction before the dry fruits are packed and supplied. The Shrine Board shall be at liberty to go for any number of quality checks from any independent recognized lab at any point of time during the currency of contract with the selected bidder.
- (vii) The selected vendor shall have to comply with the SOPs of Shrine Board issued from time to time to safeguard Board's interests related to quality of ingredients, material and contents of the packing, sanctity of prasad, economy, legality or any other aspect of the agreement between two parties.
- (viii) The contents and design of printing matter of the Prasad Pouch shall be pre-approved by the Shrine Board.
- (ix) All costs whatsoever shall be in the scope of the selected firm only i.e. the supplies shall have to be FOR Non-Engineering Store, Banganga, Katra and inclusive of all costs. Notwithstanding this, any changes in the statutory-taxes framework shall be adjustable on mutual basis (more details in succeeding paras).
- (x) The Processing Unit shall have to be made operational within 75 days of issuance of Rate Contract. Each PO issued to the selected vendor under the Rate Contract shall have to be executed within 10 days of the issuance of PO. The bidding firms must therefore satisfy themselves regarding their capacity to ensure maximum uptime of the plant and machinery, adhere to the prescribed timelines and to maintain adequate inventory of raw materials and finished goods in this regard.
- (xi) In the event of selected bidder opting for the allotment of land parcel or built-up area of the Shrine Board (and the Board agrees for the same), the selected bidder shall only be exclusively responsible for setting up the complete Packing Plant (at its own cost) along with all related fixed assets required for the purpose. Besides, the structure changes shall

also have to be done by the selected firm at its own cost after approval of the Shrine Board. Further, all legal compliances / permissions for running the unit will also be the exclusive responsibility of the selected bidder and the role of SMVDSB shall only be limited to providing NOCs as necessitated / approved for obtaining all such permissions. The unit has to be strictly in compliance with all the statutory requirements.

(xii) The bidders to specifically note that in respect of provisions of various clauses of this e-NIT relating to allotment of Shrine Board's space / built-up infrastructure, the following shall apply:

- (a) **That it shall not be optional but compulsory for the selected bidder to set up a complete processing and packaging plant in the built-up space provided by the Shrine Board.**
- (b) **Shrine Board shall provide suitable built-up space to the successful bidder ASAP. The T&C of allotment shall be mutually decided. However, there shall be no license fee or rent in lieu of allotted infrastructure.**
- (c) **Complete processing and packaging of ingredients including pasteurization shall have to be compulsorily done at the packaging plant set-up by the selected bidder in the allotted infrastructure of Shrine Board only. No part of the processing and packaging process shall be allowed outside of the plant set-up in the Board's infrastructure.**

2. **TENDER SCHEDULE:**

Important General Instructions for the Bidders:

- (a) If at any stage, any dispute arises between the tenderer(s) and **SMVDSB**, the terms and conditions of the NIT shall prevail over the offer of the tenderer. Further the tenderer submitting his tender would be deemed to have considered and accepted all the terms and conditions. No enquiries (verbal or written) shall be entertained in respect of acceptance or rejection of the tender.
- (b) In absence of data sheet provided by the tenderer(s), the decision of the technical committee shall be final and binding on the tenderer(s).
- (c) Representation, if any, related to technical bid(s) shall have to be made within 15 days from the date of opening of technical bids and thereafter no representation whatsoever shall be considered.
- (d) Representation, if any, related to financial bid(s) shall have to be made within 10 days from the date of opening of financial bids and thereafter no representation whatsoever shall be considered.
- (e) If during the processing of the NIT or during the currency of the contract, the offered item(s) are upgraded or a new variant/specs is introduced then the participating tenderer(s) shall be bound to supply the upgraded/improved version if asked by SMVDSB at no extra cost.
- (f) In no case plea of discontinuation of the quoted/approved item(s) or any other issues with regard to quality controls etc. shall be accepted & therefore the participating companies are advised to ensure quoting of such item(s) only which are of standard quality & those which are not likely to be discontinued till the currency of the contract.
- (g) Also, if the equipment/technique etc. has been mentioned against the tendered item(s), then in such case it shall be implied that the participating company(s) have quoted item(s) fully compatible to such equipment/technique.
- (h) The tenderer(s) should comply with the unit size indicated in the BOQ.
